

WORSHIP

BEST PRACTICES FOR CHURCH WORSHIP

NAME - PULLEN

EQUIP BREAKOUT

BREAKOUT DELIVERABLES

This EQUIP breakout will provide attendees the knowledge and ability to implement new worship principles, strategies, and best practices which will help promote an atmosphere of worship where God is ascribed worth and praise. Major key deliverables will be:

A working knowledge of principles that work best in certain contexts.....

An understanding that contextual strategies must be aligned to the worship culture where the church is located....

A list of "best practices" to make "Wow moments" in worship.....

A list of best practices to improve worship atmosphere.....

FOCUSED LISTICLE

- 1) **Cast a great vision for worship.....**
- 2) **Share the Gospel in worship**
- 3) **Contextual - worship methodologies must match the community/city/region where it is located**
- 4) **General best practices for worship**
- 5) **Atmosphere Matters in Worship**
